Dean, Academic Affairs

To: All Heads of Departments/IDPs

No. A(U)/XX-2/2015/

Dated: 12 March, 2015

Updated: 17 March, 2015

I send herewith the Electronic copy of the Class Schedule for the Institute Core Courses to be offered in the Academic year 2015-16, First Semester.

- The departments/IDPs are requested to prepare their respective departmental time tables strictly as per instructions given in this document (see links given on page 12 under “Preparation of Departmental Time Table”) and inform to DOAA office only the Course Instructor Name, email, and Slots only.
- Departments may please schedule the courses of OE, DE in such a way that, as far as possible, students with backlogs can take the courses without clashes with the Core and Compulsory courses. The Compulsory courses and the OE, DE, PG courses slots along with their exam day and time have already been fixed in this timetable (see pages 10-12), You may please avoid shifting of the exams of these courses.
- (Mid / End) Semester Examination schedule for all Core courses and Departmental compulsory courses are already fixed and given on the pages 10-12. Departments may please offer the course in such a way that students can take more OE, DE courses.
- Please send a HARDCOPY of the departmental time table to DOAA office and/or a SOFTCOPY by email to [deepcm@iitk.ac.in](mailto:deepcm@iitk.ac.in) before **24 March 2015**.

Particulars of the Proposed Core Time Table: (1<sup>st</sup> and 2<sup>nd</sup> Semester)

1. It has been assumed that the size of the 1<sup>st</sup> year class (incoming) from Y11 onwards will be approximately 835.
2. It is proposed that the incoming students be divided into two approximately equal batches (Batch A and Batch B) for 1<sup>st</sup> and 2<sup>nd</sup> semester courses.
3. Batch A shall consist of students from the following branches, AE (48), BSBE (40), CHM (28), ECO (40), EE (131), ME (99) and PHY (28), i.e., a total of 416 students.
4. Batch B shall consist of students from the following branches, CE (105), CHE (76), CSE (92), MTH (49) and MSE (97), i.e., a total of 417 students.
5. The course schedule for Batch A students will be as follows,
  - 1<sup>st</sup> Semester: MTH101A, PHY102A, TA101A, LIF101A, PHY101A, HSS-1 / ENG112, PE101A
  - 2<sup>nd</sup> Semester: MTH102A, PHY103A, ESC101A, CHM101A, CHM102A, PE102A

## Core Time table 2015-16/1st Sem

6. The course schedule for Batch B students will be as follows,
  - 1<sup>st</sup> Semester: MTH101A, PHY103A, ESC101A, CHM101A, HSS-1 / ENG112, PE101A
  - 2<sup>nd</sup> Semester: MTH102A, PHY102A, TA101A, LIF101A, PHY101A, CHM102A, PE102A
7. The time table has been designed such that all 1st year lecture classes (except HSS-1 / ENG 112) can be scheduled in L7. Hence, several 1<sup>st</sup> year lectures classes have been shifted to the afternoon slots.
8. For the 1<sup>st</sup> semester students, total of 7-8 HSS-1 courses will be offer, Four (4) HSS-1 courses will be offered in L3-L6 (max. registration 125 in each class) and three more in L8-L10 (maximum registration = 90 in each class). In addition, three sections of ENG112 will be scheduled in TB101-TB103 (maximum registration = 40 in each class). These courses will be scheduled in the 9:00 – 9:50 slot in the odd semesters, primarily for the 1<sup>st</sup> semester students.
9. TA101A and PHY101A laboratories have been shifted to the morning (10 am – 1 pm) slots. All 1<sup>st</sup> year laboratory sessions have been scheduled 4-days/week, with 3 sections per day.
10. Repeat courses CHM102A & MTH102A will be offered in odd semesters without 'R' attached to their course numbers. Similarly repeat courses MTH101A & ENG112A will be offered in even semester without 'R' attached to their course numbers. In case any of the repeat courses are offered in the summer it is mandatory for students having backlogs in these course to take it during the summer term.
11. Batch A students will be divided into 12 sections (A1 – A12) with up to 37 students in each section for the purpose of laboratory classes.
12. Batch B students will be divided into 12 sections (B1 – B12) with up to 37 students in each section for the purpose of laboratory classes.

### Naming of ESO/SO Courses

- Modular courses shall have unique numbers with a suffix 'a' denoting that the course is being offered in the 'first half' of the semester, while a suffix 'b' denotes that the course is being offered in the 'second half' of the semester.
- The course numbers of all ESO courses have been rationalized as follows,
 

|               |  |
|---------------|--|
| ESO201A (11): | Thermodynamics                         |

### ESO / SO Requirements for Students from Various Departments

Students from various departments have different ESO /SO requirements. Some of these ESOs / SOs may be compulsory, while the others are elective. However, students from all departments must take at least 41 credits of ESO /SO of which at least 08 credits must be ESO and 08 credits SO. The ESO / SO requirements of various departments are given below (the courses in BOLD are compulsory),

| Departmental Requirements | Odd Semester (numbers in parenthesis denote credits) | Even Semester (numbers in parenthesis denote credits) |

## Core Time table 2015-16/1st Sem

### Instructions:

1. Download the departmental time table template from the above links.
2. You will notice that all UG departmental compulsory courses (and some other courses) have already been scheduled. The schedules of these courses are fixed and cannot be changed by the departments. However, the names of the instructors of these courses need to be provided.
3. You will also notice that several types of slots, i.e., HSS-I and HSS-II slots (only for HSS department), DE-slots, OE-slots and PG-slots have been specified in the time table template.
4. Schedule the HSS, DE, OE and PG courses of your department in these slots, while strictly adhering to the instructions for scheduling these courses as given in the template.
5. For each course, mention the course number, L-T-P-D and credit details, course name, name of the instructor and the slot in which the course should be scheduled.
6. Be extra careful in scheduling courses with multiple attributes, i.e., DE/PG, DE/OE, OE/PG, HSS/DE, HSS/OE etc. and courses declared as part of a Minor. The instructions for scheduling such courses have been given in the time table template. Please contact OARS office in case of any doubt.
7. Please realize that information about each course offered by a department (including UGP1 to UPG4, Seminar, Project, Thesis courses, Lab courses etc) must be informed to OARS section, and in case of courses have Lectures, Tutorials, or Labs, their schedule must be assigned definite slots. A course without a slot will not be uploaded on OARS.
8. Thus the role of the department is limited to assigning slots for various HSS, UG-elective and PG courses. The corresponding day-wise schedule of the course will be reflected in OARS automatically.
9. There is no need for specifying a room for a course. Rooms for various courses will be assigned after pre-registration and this information will be uploaded on OARS.
