IUSSTF/ Viterbi-India Program/ 2015

9 September 2015

Dear Prof. Misra,

The Viterbi School of Engineering, University of Southern California (USC) and the Indo-US Science and Technology Forum (IUSSTF) have partnered to support the Viterbi-India Program.

This program provides an opportunity to Indian students currently pursuing a Bachelors or Masters degree in the fields of Electrical Engineering, Computer Sciences and Computational sciences to undertake an internship at the Viterbi School of Engineering in the summer of 2016 for a period of 8 weeks.

I am enclosing the announcement poster for the internship which may be kindly circulated/displayed to all concerned students and faculty in your institution.

More information about the program is available on our website www.iusstf.org.

We look forward to receiving suitable applications from your institution.

Best regards.

(Rajiv Sharma)

Prof. Neeraj Misra Dean, Academic Affairs Indian Institute of Technology Kanpur 208016

VITERBI-INDIA PROGRAM

The Viterbi School of Engineering, University of Southern California (USC) and the Indo-US Science and Technology Forum (IUSSTF) have partnered to support the Viterbi-India Program. This program will provide opportunities to Indian students to undertake a research internship at the Viterbi School of Engineering in summer 2016 for a period of 8 weeks.

The Viterbi-India Program is envisaged to:

- Provide an opportunity to the best and brightest Indian students to gain exposure and access to world class research facilities in the Viterbi School.
- Promote research and capacity building in frontline areas of engineering and technology.
- Encourage outstanding students to take up research as a career.
- Pave the way for the next generation engineers from India to interact with American peers, thus help building long-term R&D linkages and collaborations.

Eligibility:

- Indian students currently pursuing a Bachelors or Masters degree at recognized institutions of higher education in India.
- Open to students of Electrical Engineering, Computer Sciences and Computational Sciences.

Scholarship includes:

- Stipend
- Airfare

For application format and guidelines please visit: www.iusstf.org
