Sub: Innovative Student Projects Award 2015

Dear Colleague,

The Indian National Academy of Engineering (INAE), founded in 1987, comprises India's most distinguished engineers, engineer-scientists and technologists covering the entire spectrum of engineering disciplines. INAE functions as an apex body and promotes the practice of engineering & technology and the related sciences for their application to solving problems of national importance. One of the objectives of the Academy is to encourage inventions, investigations and research to promote their applications for development of national economy.

The Academy had instituted the subject award in 1998 to identify innovative and creative research projects undertaken by the students at three levels, BE/B.Tech, ME/M.Tech and Ph.D in Engineering Institutions. The award particularly encourages joint projects among Industry, Research Laboratories and Academic Institutions. The endeavour is meant to encourage young talent and accord recognition and incentives to them. The response to the award during the last seventeen years has been enthusiastic. INAE firmly believes that an early recognition of merit and talent is important which can mark the beginning of a brilliant career.

I have pleasure in forwarding a brochure giving the details of the award. The eligibility criteria is as follows:

- B.E./B.Tech projects completed upto June 30 during the academic year 2014-2015. Only Final Year (4th year) projects of students who will be completing their B.E./B.Tech degree requirements by June 30, 2015 are eligible to be nominated for the subject award
- M.E./M.Tech theses examined upto June 30, 2015.
- Ph.D. theses examined and accepted/recommended for Award upto May 31, 2015.

We request you to sponsor **only one nomination for projects/theses in each of the ten engineering disciplines mentioned in the brochure, at Bachelors, Masters and Doctoral levels** and also attach a copy of the Degree/Provisional Degree Certificate, which is mandatory for a valid nomination. The nominations are to be sent on A-4 size paper (hard and soft copy) in the prescribed format given in the enclosed Brochure. The last date of receipt of nominations is **July 7, 2015**.

I shall appreciate it very much if this matter receives your personal attention.

With best wishes,

Yours sincerely,

(Indranil Manna)

Encl: As above.
