# Placements at IME, MBA IIT KANPUR

The MBA placement process is conducted every year by the MBA placement committee consisting of students, under the guidance of the faculty placement advisor along with the support of the central Student Placement Office (SPO)

## About the Process

Traditionally 1st December marks the beginning of the placement week where various big multinational companies participate in the placement season. This year too we saw a host of companies showing their interest to recruit students from our campus. The slotting of companies is performed in a transparent manner as mentioned in the guidelines for placements and under the supervision of our faculty placement advisor.

## Highlights – Placement Season 2014

The placement for the IME MBA Batch 2013-15 was a testimony to the growing faith of the various corporate leaders in the MBA program of IIT Kanpur.

We continued our ever growing relationship with our regular recruiters like Deloitte, Infosys, HSBC Analytics, Anand Group, ITC InfoTech, LAVA Mobiles and ICICI Bank.

IIT Kanpur has seen a spectacular first week of placements. More than **98 percent** of the batch had successfully secured offers. In the first week of placements we had **17 companies** participating in the campus placement season and making offers to our students. A few of the students secured multiple offers too.

IIT Kanpur MBA added **8 new companies** to the already existing plethora of companies visiting the campus during the first week. First time recruiters include Amazon, CTS, EXL, Syntel, Crisil, NI and others.

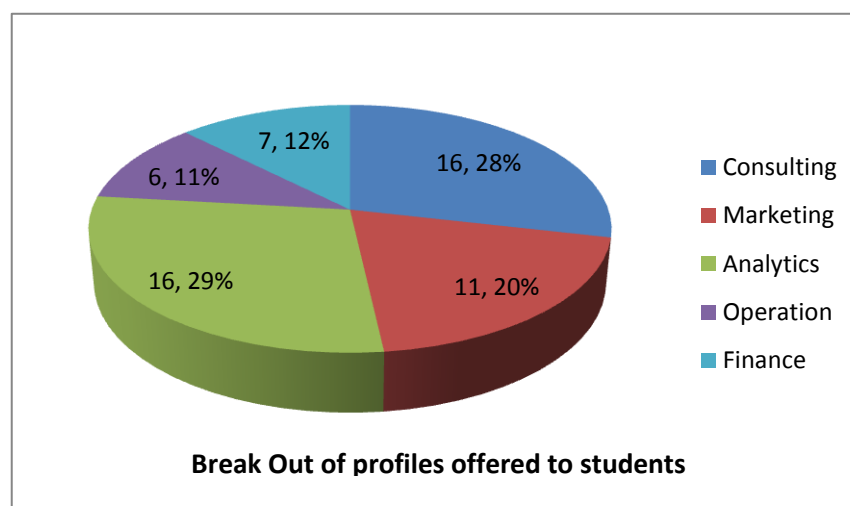

Companies offered a myriad of profiles in Operations, Marketing, Finance, Analytics, Consulting and others. The visiting companies were extremely satisfied with the quality of the students in the batch.
