

CALL FOR PAPERS RESEARCH SCHOLARS' DAY

7th-8th March, 2025

KEYNOTE SPEAKERS

Prof JV Meenakshi IIIT Delhi

Until recently, a professor at the Dept. of Economics, Delhi School of Economics. Prof. Meenakshi's research areas include the economics of health, nutrition and food; agricultural markets; and causal evaluations of policy interventions.

Prof Tanika Chakraborty IIM Calcutta

Prof. Chakraborty is an associate professor of economics at IIM Calcutta. Her research focuses on gender, education, labor, and health, primarily in the context of developing countries.

The Department of Economic Sciences at IIT Kanpur is pleased to announce the 2024-25 **Research Scholars' Day**, a conference for doctoral students to be held on the IIT Kanpur campus. We invite PhD students from institutions across India to submit their unpublished research papers in the field of Economics.

Use of the following Google Form Link to Submit Your Research Paper

(Please copy and paste the below weblink on your browser.)

https://docs.google.com/forms/d/1bMYBwexx00xXkYZGEGpoRrQBKo98tR2Vjhjatk_xwkE/edit
