GENERAL WELFARE

- As this is a residential campus, the hall is primarily responsible for a resident's well-being. So for security reasons, if a resident is out of campus for more than 2 days, they are required to inform the hall office in person or by dropping a letter in the drop-box. Also, if they are going out the campus for a short period of time, they are required to sign out at the hall gate.
- It is expected that all hall residents keep their surroundings clean and do not waste electricity and water. In case of wastage of electricity or water, action may be taken if deemed necessary. In addition, due to large amount of electricity coolers and heaters utilize, these appliances must be registered at the hall office. Using the aforementioned appliances without registering them is against hall policy and strict action will be taken.
- Feeding dog in the Corridors, Rooms, Mess or Canteen is strictly prohibited. Removing the dogs from their natural habitat is also strictly prohibited.
