

PhD Admission to the Department of Physics

The Department of Physics at IIT Kanpur is reputed for its high quality academic programme and research in front-line areas of both fundamental and applied importance. The Department has at present 41 members in the Faculty, and is assisted by a team of Research Associates and Postdoctoral Fellows as part of the academic staff. There are around 165 Ph.D. scholars engaged in doctoral research. Apart from this the Department attracts Visitors from Universities and Research Institutions in both India and abroad all through the year. The Physics Department engages in research in frontier areas of Experimental and Theoretical Physics.

The Department of Physics at IIT Kanpur invites application from motivated candidates, interested in pursuing a research career via our PhD program. For online application please visit <http://www.iitk.ac.in/doaa/pgadmission.htm>

Based on the applications received, the Physics Department at IIT Kanpur conducts selection of candidates twice a year (May and December). The admission process involves a rigorous selection procedure which includes a preliminary short listing based on GATE score/JEST Score or UGC/CSIR (JRF only) etc., followed by a written test and an interview (only for candidates shortlisted after written test).

Due to current Covid-19 situation in india the date for written test and interviews for shortlisted candidates will be declared later. Please check our webpage in regular interval for any update on the examination date.

For any query, please contact:

Prof. Dipankar Chakrabarti
DPGC Convenor, Dept. of Physics
IIT Kanpur.
