

GROUP/IDS	Eligible Undergraduate Degree Discipline
Aerodynamics	Aerospace Engineering, Applied Mechanics, Automobile Engineering, Chemical Engineering, Energy Engineering, Mechanical Engineering, Missile Technology, Petrochemical Engineering, Safety and Fire Engineering, Space Technology.
Flight Mechanics	Aerospace Engineering, Applied Electronics and Instrumentation, Applied Mechanics, Avionics Engineering, Computer and Information Science, Computer Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electrical Engineering, Electronics and Communication Engineering, Electronics and Telecom Engineering, Electronics Engineering, Engineering Physics, Instrumentation and Control Engineering, Instrumentation Engineering, Mathematics and Computing, Mechanical Engineering, Mechatronics Engineering, Missile Technology, Robotics Engineering, Space Technology, MSc - Engineering Physics, BS/MS - Physics, MSc - Mathematics.
Propulsion	Aerospace Engineering, Applied Mechanics, Automobile Engineering, Automotive Design Engineering, Chemical Engineering, Chemical Science and Technology, Energy Engineering, Energy Technology, Engineering Physics, Environmental Engineering, Hons. Petroleum Engineering, Marine Engineering, Mechanical Engineering, Mechatronics Engineering, Missile Technology, Naval Architecture and Ocean Engineering, Nuclear Power Technology, Nuclear Science & Engineering, Petrochemical Engineering, Safety and Fire Engineering, Space Technology, MSc - Engineering Physics, BS/MS - Physics.
Structures	Aerospace Engineering, Applied Mechanics, Automobile Engineering, Automotive Design Engineering, Civil Engineering, Civil Infrastructure Engineering, Mechanical Engineering, Mechatronics Engineering, Missile Technology, Naval Architecture and Ocean Engineering, Robotics Engineering, Space Technology, Textile Engineering, MSc - Engineering Physics, BS/MS - Physics.
Aero-Thermodynamics and Thermal Sciences	Aerospace Engineering, Applied Mechanics, Mechanical Engineering, Space Technology.
Computational Mechanics	Aerospace Engineering, Applied Mechanics, Civil Engineering, Civil Infrastructure Engineering, Engineering Physics, Mechanical Engineering, MSc - Engineering Physics.
