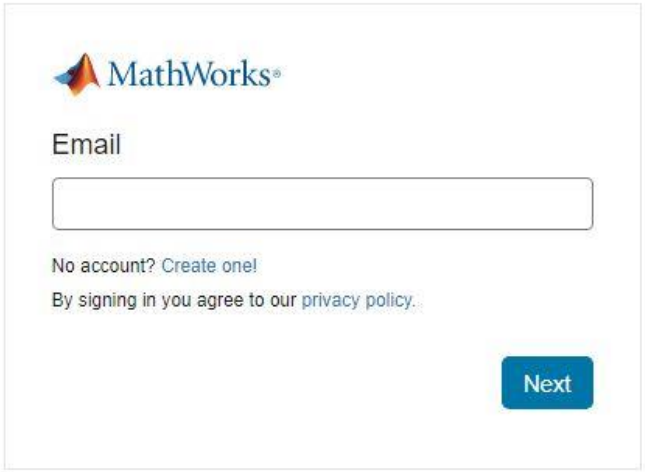
MathWorks

MathWorks Account

To download MATLAB, you must have a MathWorks Account created with your university email address.



MathWorks®

MathWorks Account

To download MATLAB, you must have a MathWorks Account created with your university email address.

Remember: Your MathWorks account (Matlab) password is different than your IIT Kanpur's webmail password. You are advised to keep it different although same email is used as user-id.

MathWorks®

MathWorks Account

To download MATLAB, you must have a MathWorks Account created with your university email address.

You may be asked to verify your email address OR two-factor authentication if you have set it.

One Important thing is sometimes Mathworks website could not send "Verification Code" immediately so you can try by clicking "Resend Code".
