

Clarifications and additions in the Tender Notice for UAV based photogrammetry system

Tender Notice Number: Ref. No: CE/GI/LTAS/03/2013-2014 of 17 Aug. 2013 Quotation for UAV based Photogrammetry System

1. Also quote for One license of Photogrammetry Data Processing software that is used for processing UAV photographs to yield maps along with the existing quote. Software should come with automatic tie point generation, Aerial Triangulation, Direct Georeferencing and other necessary functions with GUI. Quote this item separately as Item no. 3, which is an optional item.

Additional items:

1. The purchase will be preferred in foreign currency through a Letter of Credit. However, you may give the quotation in INR and foreign currency both.
2. The cost should include everything including supply up to IIT Kanpur. Any unforeseen cost should be also mentioned.
3. IIT Kanpur will utilize the custom tax benefits that are available to it being an educational institution.
4. The academic institute discount should be clearly mentioned against each item.
5. The agent commission, if applicable, should be also mentioned in the quotation.
6. Please specify specifically against each item if you comply or not in the quotation document.
7. Quotations not complete in any respect, including the point 6 above, will be rejected.
