PO. IIT KANPUR-208016 (UP), INDIA

August 27, 2013

Enquiry no. CE/STR/2013-14/Aug/01

Dr. K. K. BAJPAI
 Senior Scientific Officer

For our Structural Engineering Laboratory, we would like to purchase the following items with all accessories **as per relevant ASTM, EN and Indian testing standards.**

1. Temperature Controlled Curing System

Supply/ Installation of Temperature Controlled Curing System suitable for curing of concrete/mortar specimen. The system should:

- Be capable of maintaining the temperature of water in the range of 27 ± 2 °C.
- Have volume of approx. 600 liter and 1000 liter (two options).
- Have a suitable arrangement/ stirrer for circulation of water.

Please note that: (1) A need to cool the water is not foreseen, and, (2) Accessories should be quoted separately.

2. Concrete Air Entrainment Meter, Pressure Gauge Type

Including all accessories and case.

(Water column type apparatus is not required and will not be considered)

3. Concrete flow table with accessories

Including all accessories (Stainless steel cone is preferable).

4. Slump cone test set-up with accessories

Including all accessories (Stainless steel cone is preferable).

Kindly send your offer (Original, Signed with the name of signing authority) in a sealed envelope, for the above items mentioning the following:

1. Cost of the item with technical specifications in detail
2. Warranty period
3. Delivery time
4. Educational discount applicable considering end use for research and teaching
5. Payment terms
6. Proprietary Certificate, if applicable
7. Any other relevant details

An early reply latest by **4 September 2013** will be highly appreciated. The offer may be sent to undersigned:

Thanking you...

K. K. Bajpai

Note: The last date of submission has been extended up to 11.9.2013
