

Name: Mini Chandran

Email: minic@iitk.ac.in

Research Areas: Indian literature and literary theory, Translation Studies, Literary Censorship

My primary area of research is in the literatures of India and classical Indian literary theory. Being a practising translator (from Malayalam to English and back), my other area of research is Translation Studies. My doctoral work was on literary censorship and I am also interested in the issues of freedom of expression in literature especially in India.
