All electrical and mechanical components like motors, switches gear boxes, bearings etc. should be procured from reputed brands and mention the brand name in the technical bid.

Equipment Design

Indian Institute of Technology Kanpur, Kanpur
Department of Mechanical Engineering

The detailed design of the equipment shall be as per manufacturer's specifications and provide the details in the technical bid with drawings. These equipments are meant for research purpose and hence a compact, aesthetic and ultra-low dust and noise design is preferred and the bids will be evaluated based on the technical and commercial merits.

Kindly also note the followings terms and conditions:

1. All quotations must reach the undersigned on or before the closing date.
2. The prospective suppliers are required to send quotation in two parts in sealed envelopes, as "Technical Bid" and "Financial Bid". The two separate and sealed envelopes should be clearly marked appropriately as "Technical Bid" and "Financial Bid" with tender number.
3. The Technical Bid should contain detailed technical specification of the product being offered and should not mention any price. This should also mention the guarantee and complete spare parts must be included that are required for functioning of the unit.
4. The Financial Bid should include the detailed price quotation clearly including the cost of the equipment, taxes, service charges if any. The price should be FOR IIT Kanpur and it should also be inclusive of packing and forwarding charges, commissioning and installation charges at IIT Kanpur.
5. Financial bid will be open only for those, who meet T&C and tender technical specification.
6. The equipment should be provided with all necessary accessories and spare.
7. The firm should supply authorization certificate by the original equipment Manufacturer, for dealership/distributorship along with the quotation. Parent company should be an established company with good number of installations and after sales support in India as well: Attach details.
8. Firm should quote for the consumables, for two years trouble free running.
9. The firm should give a declaration that they have not been blacklisted/debarred for dealing by Government of India in the past.
10. Please send complete contact details of the person/ organization to whom your company had supplied similar systems.
11. The supplier must have supplied systems to institutions of national and/or international repute.
12. Normal payment terms for the institute will be applicable (90% on delivery of the items and remaining 10% after satisfactory installation/inspection).
13. Machine must have a warranty of at least 1 year. Please also quote the price for extended warranty of 3 years.
14. An undertaking that the vendor will supply all the spares and services for the equipment for at least 3 years from the date of commissioning.
15. If it is an imported item, then please provide financial bid in the foreign currency applicable and also please quote FOB and CIF charges separately.
16. Validity of quotation should be at least for 60 days.
17. Delivery period should not be more than 4-6 weeks and delivery should be at IIT Kanpur. Earlier delivery may be preferred.
